Vernon L. Miller #10, Kingston '79, R. I., ECSU Football 1976, 77, ECSU Sports Hall of Fame Inductee 2019, USA

"It was the Richard C. Lee football team that lead him to meeting Dr. Wade Robinson. He would coach him in football his Jr. and Sr. year and become his mentor for life. He feels that he taught his responsibility and was always there when he needed him. More than a coach he was like a father and big brother rolled into one. It was Dr. Robinson that introduced him to the world of HBCUs and the full rich history and Black culture. It was Coach Robinson that drove him to take a look at Elizabeth City State University which was what he considers the last but best stop. He enrolled and by the time he graduated he was captain of the football team. 1979 continued to be a big year as he was invited to both the Dallas Cowboys and Cleveland Browns football camps. Discipline, hard work, and a support team that saw his potential had gotten him to advance in life. Some of the most valued lessons he learned is rooted in football." — *ECSU SHF 2019*
